- 2) All members of the party should get in to be fitted 4 months – 1 month (min) before this collection date. It is preferable to fit each member weekdays 10am – 6pm one at a time. Saturday mornings between 10am and 11 am are available for those unable to attend midweek.
- 3) If anyone in the party is abroad use our sizing guide online, www.tangos.ie/measurement-upload/ If you would rather visit a local store and send on your sizes that's fine but please read the list from our site.
- 4) A **6 Week** deadline prior to collection applies for any changes to Style, Colour or numbers. The same deadline applies to ordering any Tailored Items (Ties, Accessories or Suiting).
- 5) **Everyone must collect his own suit** on the agreed collection date from 11am onward. This policy has helped us provide the best fit possible to many satisfied customers. If you can see any reason one may not, have them contact us please so we can try to arrange a 2nd fitting.
